

# DÁVID AFTANAS

WEB PROGRAMMER

## About me

Still young passionate man who left university after three years to actually start doing stuff. Currently working as Web Programmer at ModneVeci s.r.o. since september 2018. Big fan of FC Barcelona and also publisher of articles for the forcabarca.sk. Studied Information and digital technologies at Súkromná stredná odborná škola (SSOSTA) - I actually finished that one.

## Experience
